

Dimensions for printing
of can 57 x 207 mm
filling volume 400 ml

172,25 x 204,93 mm
trim size of the can
printing

type area 172,25 x 191,93 mm
– main area for
graphics and texts

without bleeds

we do not recommend
to place logos and text
to the 6,5 mm top and
bottom margin of the
trim size due to
material bending
during the production
of the can
