

211 x 177 mm
trim size of the label - dimension
after trimming

Label for 65 x 195 mm can
filling volume 500, 440, 400 ml

type area 195 x 167 mm
- main area for
graphics and texts

bleeds
+3 mm at each side

the space of 8 mm
side margins of the
trim size is used while
applying the label
on the can

ATTENTION - do not
place text - it will not
be legible, it can be
covered by the other
side of the label

we do not recommend
to place logos and text
to the 5 mm top and
bottom margin of the
trim size
- manipulation with
the product can cause
its illegibility
